

WAR - Big Business

Note:

About **PDF** links:

If you just **left click** it, the **link** will open but it will replace the PDF. To bring it back (**back button**), the PDF will have to reload. This can take awhile. **Ctrl click** will open the link in a **new tab** so you have both open at once.

This happens because the **PDF makers** have been too preoccupied with trying to keep **Dick Cheney** from hacking into their websites/accounts and stealing all their money and they haven't had time to figure out this link mess.

47 GOP Senators want WAR-

History Buff and **USAF** veteran Observation:

(**<http://goo.gl/aMBlak>**)

This is because WAR is in their best interest and the more the merrierfor them (**<http://goo.gl/vXOONS>**).

They own (**<http://goo.gl/3zEYUr>**) the munitions industry (**<http://goo.gl/7WGRmZ>**) - warships, uniforms, armored vehicles, warplanes, guns, bullets etc. and the big oil (**<http://goo.gl/HV3FcC>**) that fuels it....and war. It's been so throughout human (**<http://goo.gl/eaL8l7>**) history. I also dabble in the stock market and if you have any doubt about majority stock holders in which industries, it's all **public record** if you Google enough:

For those who own it (<http://goo.gl/E6BTM9>) & Big Oil that fuels it – (<http://goo.gl/zaXAVe>), WAR is the most lucrative business in human history. For those who pay for it, in lives and treasure (<http://goo.gl/tPYHs2> - <http://goo.gl/skfGqs>), it is the most costly (<http://goo.gl/6skjGc>)!
